### Training & Placement Cell

Training and Placement cell is in place in the institute and focuses on personality & career development of students of all branches. Training & Placement cell takes care of providing all the necessary technical as well as soft skill training to the students. They organize mock aptitude tests group discussions & personal interviews for students which makes them confident of clearing selection process during campus placement drives.

### Departmental activities

**Self defense program** :- Safety of a woman is highly important. To ensure this the college has arranged "A self defense program" in association with Kick Boxing Association, Thane.

**Women's day Celebration** :- On 8th March of every year the women cell celebrates international women's day by arranging seminars and session on Women empowerment, rights of a women, etc., for all the female students & faculties

### Faculty Development Program (FDP)

Faculty Development program has been conducted to improve the quality deliverables from the Faculty of the institute. During the faculty development program the current challenges towards student & faculty has been discussed.

### A National Software Skill Test

Training & Placement cell has organize a soft skill test for students of all classes. It has provided a result on the current level of software programming knowledge students are having.

### Convocation Program

### Library

B. R. Harne College of Engineering & Technology library plays a pivotal role in helping our students to build self learning and knowledge-acquisition skills and outside the scope of their college syllabus also. By providing this excellent facility, the students will be able to develop their reading skills, which is the most important skill that a students need to horn in order to get ahead and succeed in life. Digital library and reading room facilities are made available to students.
